Thank you

FOR YOUR SUPPORT

Dear Donor,

My name is Giana Perez, and I am a junior here at Mother McAuley High School. I am writing to kindly thank you for awarding me the Bautista Scholarship. It means so much to my family and I. My parents work countlessly in order to send me to Mother McAuley, and with this, we appreciate you. Awarding me this scholarship not only lifted a financial burden, but also has now encouraged me to strive. Winning this scholarship has proven my ability in working hard and for that I thank you. Ever since I was a little girl, I always dreamt of attending Mother McAuley. My dream is now my reality, and for that I am grateful. Mother McAuley has shaped me into a leader. Looking back at my last two years, I have grown spiritually, personally, and emotionally due to McAuley itself. The atmosphere alone welcomes you each and every day. The young women, my classmates, who encourage and guide me even when I mess up. The teachers who spend numerous hours day and night to ensure we receive good education. Those aspects have shaped me into the young woman I am today. McAuley has brought me many opportunities. I am actively involved in clubs, service, and now have recently been invited into SHH - The National Spanish Honor Society. Outside of the classroom, McAuley has enriched me with new friends who I never would have known. I have received a job at Bite Size Pediatric Dentistry, an establishment I would have never thought I'd work at. I thank Mother McAuley for guiding me through the fundamental skills I need and will continue to need in order to thrive. My family and I are sincerely grateful for this award, and I will continue to strive and work hard. I will show gratitude through my neighbors, friends, and family by using what I have learned. I hope to make an impact on the lives of others as you did for mine.

*Sincerely,
Giana Perez*
