Thank you

FOR YOUR SUPPORT

Dear Donor of the Bautista Memorial Scholarship,

Hello my name is Gabriella Del Bosque, a junior at Mother McAuley and I am one of the honored recipients of the Bautista Memorial Scholarship. I would like to express my gratitude for being chosen to receive this award, I am honored to express the memory of this scholarship. My family and I hold a great amount of gratitude towards the donor of this scholarship. As my third year attending Mother McAuley I am fortunate enough to have many different activities at school. During the spring season I am an athlete who plays on the varsity soccer team. All year round I am also a musician, who performs in the school orchestra playing the violin. Freshman year I played the instrument for the first time and have enjoyed ever since. I am also an active participant in the school's Mariachi Club, which helps me show my pride for my latin heritage.

Once again I would like to express my gratitude for receiving this scholarship. I am proud of this achievement and will honor the meaning behind it. Thank you for giving me the opportunity to represent this scholarship in this year to come.

*Sincerely,
Gabriella Del Bosque*
