Liberal Arts High School

Thank you
FOR YOUR SUPPORT

Dear Donor,

Hi, my name is Alyssa Avalos and I am currently a junior at Mother McAuley High School. I am deeply grateful to have been chosen as a recipient of the Bautista Memorial Scholarship! Being awarded this scholarship is a tremendous honor, and I am truly grateful for the doors it will open for me.

This scholarship will significantly reduce the financial stress of my education enabling me to concentrate fully on my education. It is an encouragement to continue striving for excellence in my studies and other endeavors.

At school, I am a student ambassador and a member of the art and jewelry clubs. I spend most of my time as a student ambassador that entails chaperoning possible incoming students, and organizing school events such as open house and social community events (i.e., Easter Egg Hunts). These clubs have also helped me develop teamwork and collaboration skills among my peers.

I am eternally grateful for your generosity and belief in my potential. Thank you for selecting me as a recipient of the Bautista Memorial Scholarship.

*In Gratitude,
Alyssa Avalos*
