Liberal Arts High School

# Thank you

FOR YOUR SUPPORT

Dear Donor,

*My name is Matty Salgado, current Senior attending Mother McAuley Liberal Arts High School. I would like to take this opportunity to thank you for the Bautista Memorial Scholarship. I am extremely honored to be recognized as a Bautista Memorial recipient for the 2022-2023 school year. As a senior student I am extremely honored and blessed to be recognized and be a positive mentor for other students inside and outside of school. This scholarship means the world to me and my family because I know all the hard work and dedication I put into my academics has paid off. Not only am I paying it forward to my community and the donors of the Bautista Memorial, but I am also paying it back to my parents, who have guided me and given me the opportunity to attend Mother McAuley. Receiving this scholarship motivates me to maintain honor roll status and become a leader, role model, and overall a well-rounded individual for other students. I am very excited to participate in upcoming school activities, fundraisers, and represent the Mother McAuley student body at the McAuley Hall of Honor Induction and Mass and the Donor Appreciation Breakfast. My discipline and perseverance is how I have been a member of the National Spanish Honors Society, National Honors Society, National Art Honors Society, and Student Ambassadors. Through these Honors Societies, I am able to serve others in need throughout my community and continue to volunteer because it brings me joy in serving others. Not only am I a part of these organizations, I am very involved in several clubs at McAuley. Some of these clubs include Spanish Club, Unity Community, Knitting Club, Mac Majorettes, and Stage Crew. Being a part of these clubs and organizations has supported me to become the individual I am today. These organizations have taught me life skills and lessons to becoming a great leader. Through my time and dedication, I have been able to be the President of Spanish Club, Vice President of the National Art Honors Society, Secretary of the National Spanish Honors Society, and Student Ambassador Leader. Mother McAuley Liberal Arts High School is where I have been elated to spend the last four years of high school. I am very happy to be building relationships with new friends, teachers, and staff members. This institution has equipped me with all the resources and preparation I need in order to achieve my next goal, which is to attend college. I know this scholarship and all the preparation I have received from Mother McAuley will help guide me throughout my time next year. Again, I would like to thank you for your generosity, support, and the Bautista Memorial Scholarship.*

Sincerely,  
Matty Salgado
