THANK YOU

FOR YOUR SUPPORT

Dear Donor,

Hello! My name is Annie Montes, and I'm a junior. I want to profusely thank you for your incredible generosity in awarding me this scholarship! Education means so much to me and my family, I truly appreciate the opportunity to learn at such a wonderful school. As someone who deals with a medical condition, I rely on a lot of care from medical professionals, which can lead to hefty bills. My mom often has to take on extra work to help cover these expenses, so your support is a tremendous help in allowing me to focus on my education without adding more stress on her.

At Mother McAuley, I'm part of the Latinas Lead Club, which is all about empowering Hispanic students, and I'm also active in the National Spanish Honor Society. In both of these clubs I get to give back to my community through service, both in and out of school. McAuley has really shown me the value of community and self-expression, and I'm so grateful to be part of such an uplifting environment.

Thank you once again for your support, it truly means the world to me!

*In gratitude,
Annie Montes*
