# Thank you

FOR YOUR SUPPORT

Dear Donor,

*My name is Luz G Gomez and I'm in 10th grade. Thank you for giving me the opportunity to apply and ultimately receive the Bautista Memorial Scholarship. It means so much to me to be recognized for attempting to make my community a better place and to have support to continue doing so. A value I've always had is to give back to those who are less fortunate and to be able to make changes to make advances for my community, but I definitely could not have done this alone. Along with that, I wanted to give a lot of appreciation to my donor for also helping my family have a little financial breathing room and help with financial struggles. As I said, giving back and helping my communities is a big part of who I am and a goal that I have is to give back to and help out my new McAuley community. At Mother McAuley, I am involved in a few clubs, including the Latinas Lead club, Lend-a-Paw club, Culinary club and ASL club. Due to these amazing experiences and opportunities that I've recently had at Mother McAuley, I hope to be able to work with many brilliant and creative people to help make McAuley an even better and brighter place than what it is now. Once again I want to express my gratitude to all the faculty, staff and especially to my donor for trusting me and providing me with a staggering opportunity in which it won't only help me educationally but help my family financially as well. I hope to live up to the expectations of this scholarship and fulfill my duties as a Bautista Memorial Scholar.*

Sincerely,  
Luz G Gomez
