Thank you
FOR YOUR SUPPORT

Dear Donor,

My name is Ava Young, and I am currently a ninth grader. I am sincerely grateful for your generous donation and support. This scholarship will provide significant assistance to both my mother and me, and I am profoundly appreciative of your generosity. At Mother McAuley, I participate in numerous service organizations, including Action/Reaction, Latinas Who Lead, and I serve as a Student Ambassador. I ensure consistent attendance at nearly all meetings and am actively engaged in assisting with various activities within these clubs. Additionally, I am enrolled in an instrumental music class, where I play the cello. Participation in the instrumental class provides me with the opportunity to perform at the Christmas concert, during which we all play together on stage. I have the privilege of playing alongside my friends within our small cello ensemble.

Thank you for all that you have contributed; I am sincerely grateful for your generous donation.

*In Gratitude,
Ava Young*
