Liberal Arts High School

THANK YOU

FOR YOUR SUPPORT

Dear Donor,

My name is Alyson McCauley and I am a freshman. Thank you for supporting me and my education. This scholarship will provide financial assistance to me and my family. This scholarship is awarded during the holiday season and is a great blessing for my family.

At Mother McAuley, I am involved in a number of activities. My favorite is the esports team. In esports, I compete on a team with fellow Mighty Macs and Crusaders against other high schools. We are nationally ranked. I am also involved in the anime club. The anime club is a place where I feel accepted for being interested in shows that are not typically popular.

I am grateful for your support through this scholarship.

*Sincerely,
Alyson McCauley*
