# Thank you

FOR YOUR SUPPORT

Dear Donor,

*Thank you so much for choosing me to receive this scholarship! I am so honored. I love McAuley more and more every year, and I'm grateful for this scholarship for my senior year. My family and I appreciate it more than you know!*

*I love McAuley because of all the friends and connections I've made over my four years here. I love being a student ambassador and meeting prospective students and alumni. I love celebrating Mercy Day and every prayer service as a Peer Minister. I've grown so much since freshman year, and I am so excited for my senior year memories.*

*Thank you so much for this honor and for your generosity. I am proud to receive this scholarship and so grateful!*

*Sincerely,  
Naomí Cordova*
