Dear Supporters of the Bautista Memorial Scholarship Golf Outing,

On behalf of the entire Cristo Rey Jesuit High School community, thank you for your contribution to the Bautista Memorial Scholarship Golf Outing, benefitting Cristo Rey families and students. Last year, through proceeds from the annual Golf Outing and in honor of their parents, the Bautista family opened the Scholarship Fund to Cristo Rey. In its first year, the Fund supported one senior student for \$1,000 as he prepared for college. This year, thanks to your generosity, the Fund will support multiple student scholarships – \$2,500 in total.

Since 1996, Cristo Rey Jesuit High School has stood by its founding mission to serve Hispanic families with limited financial means. The young men and women we educate and serve come from hard-working families whose annual income is just over \$36,000. Consequently, 90% of our families require additional financial assistance for the requested family contribution, which has remained at \$2,950 for five years. Partners like you and the Bautista Memorial Scholarship Fund allow us to ensure that no student loses their place at our school due to financial hardship.

Thank you for your support – it means more than you can imagine.

Gratefully,

Antonio Ortiz
President
