

**MOTHER
McAULEY**

Liberal Arts High School

Thank you

FOR YOUR SUPPORT

Dear Donor,

My name is Angelica Velazquez. I'm a freshman at Mother McAuley High School. Thank you for supporting me with the Bautista Memorial scholarship this year. This scholarship will assist my family with paying tuition for myself as my brother also goes to a private high school. It reflects how much you are committed to help the youth continue doing well in school and the value of a private education.

During the few months I have been at Mother McAuley, I have joined the lead paw, which is a group where we build dog toys from old blankets and we send them to dog shelters. I am also in the running and costume crew for the latest play. I am in the culinary class which we meet after school hours. This upcoming spring, I am going to join the Soccer team for McAuley, which I know is going to be amazing to experience the first year of high school.

Thank you again for this amazing opportunity of being a recipient of your scholarship. This scholarship will be very helpful for me this school year.

*Sincerely,
Angelica Velazquez*
