

**MOTHER
MCAULEY**

Liberal Arts High School

THANK YOU

FOR YOUR SUPPORT

Dear Donor,

My name is Sophia Godina and I am a freshman at Mother McAuley High School. I am honored to be a recipient of the Bautista Memorial Scholarship and am writing to thank you for your generous support. This scholarship means so much to my family. My parents work very hard and make sacrifices so that my brother and I can receive the best Catholic school education. Tuition is a big expense, and we are very grateful for this scholarship support.

I love being a student at Mother McAuley and I am very appreciative to have this amazing high school opportunity. I am involved in activities that require time spent after school and I am able to manage being involved as well as maintaining good grades. I take my schoolwork very seriously and always strive to do my best. Currently, I am actively involved in clubs at McAuley including costume crew, crochet club, culinary club and lend a paw. These clubs give me an opportunity to be involved in things that spark my interests. They allow me to express myself creatively while getting to know my peers better. I am also a Student Ambassador, which gives me the opportunity to help spread the word on all the great things McAuley has to offer. As a Latina student I hope to show prospective students of all cultures that there is an inclusive school environment for them at Mother McAuley.

Thank you again for this scholarship. I am extremely grateful and will continue to be a dedicated student.

*Sincerely,
Sophia Godina*
