

MOTHER MCAULEY

Liberal Arts High School

October 4, 2018

Dear Supporters of the Bautista Memorial Scholarship Golf Outing,

Mother McAuley would like to thank you for your generous sponsorship of the Bautista Memorial Golf Outing. Your partnership with the Bautista family has aided and impacted our young women and their families who are working very hard to send their daughters to Catholic school.

Oftentimes when businesses are asked to support events, they are not connected to the impact their giving has on the recipients. Our recipient had the following to say about her scholarship, "I come from a long line of social justice do-gooders, so inevitably I was destined to walk the same path. From a very young age my mother instilled in me the idea that volunteering isn't something 'to do' to gain brownie points with God, earn service hours for school, or gain recognition for selfish reasons. Volunteering, giving back to society, being men and women for others and being our brother's keeper is a duty and a privilege my mother never took lightly, and therefore neither do I. I can't thank you enough for being a 'do-gooder' and supporting me in receiving and education from Mother McAuley. It means so much to me and my family."

Each day you have made a difference in our McAuley community by supporting our future leaders. They have passion, drive and a strong mercy education. These gifts of support are not taken lightly, our students want to be the change in the world and give back. McAuley girls know they have received a lifetime advantage education, buoyed with a desire to do good works both in service and charity. As our recipient sincerely stated, "As my graduation from McAuley approaches, I've become socially conscious on a higher level and find it necessary to contribute in a more significant way...my hope is to learn how to better serve members of my community and the city of Chicago and allow those experiences to help me grow into an unapologetic world changer."

Mother McAuley Liberal Arts High School is empowering and educating nearly 900 young women on the southwest side of Chicago. We welcome you with open arms to visit our campus or our website at www.mothermcauley.org to learn what it means to be a McAuley student, a Mighty Mac, a woman of mercy.

We are grateful for your strong belief in our mission, and the forever impact your investment has made in our young women and community.

In Mercy,

Carey Harrington

Vice President of Institutional Advancement

No work of charity can be more productive, or good to society, than the careful instruction of women.

Catherine McAuley, foundress of the Sisters of Mercy
