THANK YOU

FOR YOUR SUPPORT

Dear donor of the Bautista Memorial Scholarship,

My name is Bertha Espinoza and I am a senior at Mother McAuley. I wanted to thank you for choosing me for the Bautista Memorial Scholarship. My family and I were very happy to receive the news that I was chosen. This will help my family with my tuition payment.

As you read in my essay I am one of the creators of the Mariachi Club at Mother McAuley. It has been an amazing experience to create it and see the impact on others. I am grateful for this opportunity and I am grateful to have been able to receive this scholarship. I will be very honored to represent the Bautista Memorial Scholarship.

*Again thank you so much for this opportunity.
