

Dear Bautista Family:

Thank you for providing me with the opportunity to attend Cristo Rey Jesuit High School. I am very thankful for the help I am receiving.

So far, my senior year is going well. I have been more involved in school, I was in cross-country for three years, and plan to join track and field this year. I am also helping with the school play and yearbook. Currently, I am working at UChicago Medicine, in the Anatomic Pathology department. But I have worked in Erie Neighborhood House for about two years.

Currently, I have been working on my college applications. My top schools are University of Dayton, Augustana College, Bradley University, Saint Mary's College, and Illinois College. I have applied to four of these and I have been accepted to the University of Dayton so far.

It means a lot to my family having the opportunity to receive this scholarship. It has helped ease some of our financial problems. We are truly grateful to receive this help from you.

Happy Holidays!

Sincerely,

Nunez, Natalia
