Thank you

FOR YOUR SUPPORT

Dear Donor,

Hello, my name is Isabella Navia and I am a freshman at Mother McAuley. I am very thankful and honored for your support and for granting me this scholarship. This scholarship will help me and my family out a lot. It's just my dad raising me and my brother but most of my family helps out too. It is such a blessing for this scholarship and is really helping my dad with my tuition.

I am currently not really involved with things at Mother McAuley. Although I am not in anything at the moment, I am looking forward to getting more involved and putting myself out there for the school. I wish to be involved in a lot during my time here and wish to make life long friends. I would like to join things I've never tried before just to try something new.

Once again I appreciate this opportunity very much. I plan on keeping this scholarship and possibly getting more so that it can be less stressful on my dad. I'm just so thankful for receiving this scholarship, it really means a lot to me.

*Sincerely,
Isabella Navia*
