Thank you
FOR YOUR SUPPORT

Hello!

My name is Paola Guijosa, I am a 12th grader! I'm so, so thankful that I reviewed this scholarship. This means so much for not only me but for my family. It seriously takes a lot of financial burden off of my shoulders and my family's shoulders.

I'm a part of our mariachi group at mcauley! Not only do I want to be a mariachi when I grow up, but I love Hispanic music.

Thank you so much for this.

*In gratitude,
Paola Guijosa.*
