Liberal Arts High School

THANK YOU

FOR YOUR SUPPORT

Dear Donor,

My name is Sophia Herrera. I am a freshman at Mother McAuley. Thank you for this opportunity. This scholarship is going to help my parents sleep a little easier without worrying about paying as much. The scholarship will help me obtain an education that otherwise I would not have. I was involved in many different things at Mother McAuley such as stage crew, Jewelry club, fashion club, model un, Latina club, and Spanish club but I began to get more homework and realized I needed to focus on school. At the moment I am volunteering instead at the children museum. In conclusion I want to thank you for helping with this scholarship so my parents can continue to send me to a great school where I am able to make new friends and have many more opportunities.

*Sincerely,
Sophia Herrera*
