

Dear Donor,

My name is Daniella, and I cannot even begin to express my gratitude for your generosity and the positive change you created in my life. As the oldest of four children all attending Catholic schools, I realize that my parents sacrifice so much to provide us with such an enriching education. I often consider what I am able to do in order to contribute to my family's lives, whether it be monetary or through acts of kindness. Helping my sister with homework, driving my siblings to soccer practice, or helping make dinner are all ways in which I try to alleviate some of my parents' workload. Nevertheless, they are always able to gracefully manage our busy schedules. To be able to help them through this scholarship is something I find great joy in, and I can attribute this opportunity to your kindness and generosity.

As a Mighty Mac, I place high importance on my extracurricular activities and my active involvement in the community. I will continue to dedicate my time and efforts to increase my takeaways from my McAuley experience and to help my peers. I am so grateful for your generosity, which will help me in obtaining the McAuley lifetime advantage. It is such a blessing to be able to continue my education at McAuley with your generosity. It does not go unnoticed, and my family and I appreciate it very much.

My McAuley education means so much to me and so does being provided with this opportunity. On behalf of myself and my family, thank you for your kindness and generosity, and I can assure you that I will continue working hard and optimizing my takeaways from my McAuley education!

In Gratitude,
Daniella
