

Dear Bautista Family,

*Thank you for providing me with the chance to attend Cristo Rey Jesuit High School. As we get closer to Thanksgiving, I am reminded of the blessings in my life and most specifically, I am thankful for your scholarship. This scholarship has allowed me to stay in a catholic school and not have to worry about financial issues. This has not only helped me but also helped my mother who is a single mom who struggles financially and tries to do the best she can for me.*

*I am currently a junior at Cristo Rey and am looking forward to my last two years here. So far junior year is going great and am proud to say I made Honor Roll. I am very active in the Cristo Rey community because I play soccer, basketball, and baseball at Cristo Rey. For my CWSP job I work at a law firm in the Wintrust building downtown called Relativity. At my job I work for the facilities department and help restock things and I help people who need new badges when I am acting receptionist.*

*With help from your scholarship, I can get a good education from a good Catholic high school in my own neighborhood of Pilsen. Thank you for your generosity and support of my education.*

*I wish you and your family abundant blessings and may God bless you for all your good works.*

Sincerely,

Ivan Martinez
