# Thank you

FOR YOUR SUPPORT

Dear Donor,

My name is Kaylee Guillermo and I am a Freshman. I am SO absolutely grateful for your support. This scholarship means so much to me and my family. As a Latina, I want to make my parents proud and live the life that they couldn't. Being successful and giving back to the community I was raised in is my top priority in life, and YOU are supporting this long journey for me. It was such a big transition from my Hispanic based elementary school to a prestigious high school like McAuley. I've made so many friends and I'm involved in clubs! (Latinas Lead, Varsity Club, Psychology Club.)

You must realize how your support has such an impact on me and my family, as we struggle financially. Thank you from the bottom of our hearts. May your kind soul be blessed, God loves you.

Sincerely,  
Kaylee Guillermo.
