

**MOTHER
MCAULEY**

Liberal Arts High School

THANK YOU

FOR YOUR SUPPORT

Dear Donor,

My name is Naomi and I am a junior at Mother McAuley this year. I am so grateful for this scholarship and truly honored to be chosen. I am very proud of my heritage and culture, and I loved the chance to share how my upbringing shaped who I am. This scholarship means a lot to myself and my family, and is one of the reasons why I have the opportunities I have at McAuley. I will always be thankful.

I love McAuley because of what it stands for and our beautiful community. As a student ambassador, I take every chance I get with potential McAuley students to show them how much this school has done for me and can do for so many girls. It supports me in my challenging academic path, my busy athletic schedule, and my social life.

Thank you so much for choosing me to receive this scholarship. My family and I are very grateful, and I appreciate the honor to the bottom of my heart.

*Sincerely,
Naomi Cordova*
