## Liberal Arts High School

November 28, 2022

Dear Supporters of the Bautista Memorial Scholarship Golf Outing,

Mother McAuley would like to thank you for your generous sponsorship of the Bautista Memorial Golf Outing. Your partnership with the Bautista family has aided and influenced our young women and their families who are working very hard to send their daughters to Catholic school.

The Bautista Memorial Golf Outing and all of its supporters are making such an amazing impact and difference in students, families and especially here at Mother McAuley. Our students are better, braver and empowered by your belief and support in each and every one of them and the mission of Mother McAuley.

Our students are equipped to go out and change the world with confidence because they have been embraced with support from outstanding and kind people like you. They have seen firsthand the difference they can make by giving back to those in need. They have felt it, they have appreciated it and they want to lead in the future, making the difference in the lives of others. We are committed to paying it forward.

Each day you have made a difference in our McAuley community by supporting our future leaders. They have passion, charisma, and a strong mercy education. These gifts of support are not taken lightly, our students want to be the change in the world and give back. McAuley girls know they have received a lifetime advantage education, driven by a desire to do good works both in service and in charity. As our recipient sincerely stated, "Thank you for giving me the opportunity to receive the Bautista Memorial Scholarship. It means so much to me to be recognized for attempting to make my community a better place and to have support to continue doing so. A value I have always had is to give back to those who are less fortunate and to be able to make advances for my community, but I definitely could not have done this alone. Giving back and helping my community is a big part of who I am and a goal that I have is to give back to and help my new McAuley community. Due to these amazing experiences and opportunities that I've recently had at Mother McAuley, I hope to be able to work with many brilliant and creative people to help make McAuley an even better and brighter place."

Mother McAuley Liberal Arts High School is empowering and educating nearly 900 young women on the southwest side of Chicago. We welcome you with open arms to visit our campus or our website at [www.mothermcauley.org](http://www.mothermcauley.org) to learn what it means to be a McAuley student, a Mighty Mac, a woman of mercy.

Thank you for your continued support, kindness and generosity.

We are forever grateful,
