

**MOTHER
MCAULEY**

Liberal Arts High School

Thank you

FOR YOUR SUPPORT

Dear Donor,

Hello and good morning, my name is Xotchil Ramirez, I am currently a junior in the class of 2024 at Mother McAuley. I would first and foremost like to express my gratitude towards this opportunity and most importantly support along the way. Not only does this scholarship help me and my family from a financial standpoint, but it also helps pave the way for more opportunities as far as athletics and most importantly education. This scholarship impacts me not only in the classroom and on the field, but also within my family and community. Allowing me to fulfill the role of a leader and positive role model for family and peers. Regarding my involvement in extracurricular activities, I partake in clubs followed by one sport at Mother McAuley. clubs such as Latinas Lead, Unity Community, Spanish Honors Society, Spanish Club, Fashion Club and the Diversity Board which not only benefits the Mother McAuley community, but more so that important role of a leader with a voice and perspective on the student body as a whole. As far as athletics, I am a part of the varsity soccer team for McAuley. This helps me diversify my social and physical skills on the field and in the classroom gearing towards my dream to play soccer on a collegiate level. Overall preparing me for the many challenging obstacles that are to come down my path to success. With this being said, I'd like to once again express my gratitude and appreciation for all the efforts and support that have been given to me. On behalf of my family and I, much obliged for this opportunity.

*Sincerely,
Xotchil Ramirez*
