

Dear, Bautista Family

My name is Dino Munguia a junior of De La Salle Institute. I am writing to express my gratitude for giving me the opportunity to continue my studies at De La Salle. I am honored to receive the Bautista Scholarship. Having recently made the honor roll, this scholarship will help me ease financial concerns of college and allow me to further focus on my studies. My family and I appreciate the opportunity that you have given us, especially during these upsetting and challenging times. I am really honored and appreciative. My goal is to attend college and this scholarship will help me reach my goal. This scholarship will also help me reach my goal by helping to give me the resources to make a future impact in society. Thank you so much for this scholarship.

Sincerely,

Dino
