

Dear Bautista Memorial Scholarship,

Thank you for helping me attend Cristo Rey Jesuit High School. The Bautista scholarship represents the opportunity for me to receive a quality education. Every day when I arrive in school, I am reminded of the opportunity that I have to realize my dreams of someday having a successful career and not having to worry about whether my family can afford to send me to school.

I am currently a freshman and I have been able to experience what it means to be a "Cristero" because of your financial support. I enjoy the Cristo Rey atmosphere that not only includes academic challenges and spiritual growth, but also promotes service to others. I currently play girls high school softball with Omega Delta baseball and softball league at Hoyne Park. I volunteer at El Valor helping teachers and staff with daily activities for the children that attend their programs. I also enjoy getting into the Cristo Rey school spirit by supporting and attending this years "Homecoming" and attending and cheering on the boys soccer team, as they play against Columbia in the state semi-finals. I am proud to write that for my first quarter grades, I received a high honor roll distinction.

With your support and thoughtfulness, I can continue to be a "Cristero" that studies hard, plays hard, and gives back to the school that I am so proud to be a part of. Thank you for your generous support in helping me and my family.

Sincerely,

Isabel Arroyo
