# THANK YOU

FOR YOUR SUPPORT

Dear Donor,

*My name is Anabelle Alvarado. I am a junior at Mother McAuley High School. I am very thankful for being the recipient of the Bautista Memorial Scholarship. I will continue to do my best in school and in all of my classes in order to continue my growth in becoming a successful and independent woman. This scholarship means my family will have less of a financial burden. It is also an opportunity for them to witness my academic and personal growth. It is yet another accomplishment that I have achieved while at Mother McAuley. The scholarship means to me that I have grown up and matured. An example of this is the fact I have made connections between classroom learning and the community we live in. At Mother McAuley I am involved in ASL Club and in two sports tennis and lacrosse. I also participate in dance outside of school and volunteer. I recently volunteered at Mount Assisi for the Nun Run. I helped give out special bags for the runners. At the end of the race I helped pass out medals. While volunteering I realized that it was not just about completing service hours that are required but by helping and supporting one another we can accomplish so much more. Gaining knowledge from the nuns and experiencing kindness was heartwarming. I was even offered a job to help make and pass out food during school retreats hosted at their center. I kindly accepted. Once again I would like to thank you from the bottom of my heart for selecting me for this scholarship. I will continue to keep on making my family proud and accomplish my goals.*

*Thank you very much,  
Anabelle Alvarado*
