Dear Friends at Bautista Memorial Scholarship,

For over a century, St. Ann School has worked in partnership with families, communities, and friends like you to open doors and provide opportunities for students from Pilsen and Chicago's near southwest neighborhoods. Today, we continue our commitment to the Catholic school families from Pilsen and Chicago's near southwest neighborhoods, and we are even more dedicated to empowering our preschool-8th grade students while they reach their full academic, physical, social, and spiritual potential at St. Ann School.

Thank you for your generous donation to St. Ann School of \$10,000 on November 1, 2025.

Currently, 92% of our families rely on some form of financial aid support to cover the cost of tuition and school fees. We cannot emphasize enough how much of an impact your support has made. Your donation not only sustains the students at St. Ann, but also enables them to flourish. This impact is seen through the many St. Ann graduates who reference their St. Ann education as a gift that has prepared them for success past our doors. You are helping us continue to provide the best education to our students, while also instilling within them our core values of to serve, to lead, and to love.

"St. Ann taught me how to live out our core values of serving, leading, and loving. I have learned how to respect others, how to be a role model, and how to love each other even when you don't know or don't like the other person. These core values represent this school and us the way we are."

- Nico Lara, St. Ann class of 2025

Thank you for your role in advancing the mission of St. Ann School. We remain incredibly grateful and humbled by your generosity, which will ensure the future success of St. Ann and our students as we move forward into the future.

Sincerely,

Kathleen Fox
Principal
